## WHITE WINE

### **LE PETIT CHAT BLANC, VIN DE FRANCE, VEGAN** **Frankreich, Languedoc**

Grape varieties: Grenache blanc, Marsanne,  
Roussanne

Southern French lightness in a glass. Cats have seven lives and this spirit is hidden in a fruity wine, full of dry lightness and joy of drinking. Goes well with white meat, fish and seafood.

**23**

### **SILVANER QBA** **Weingut Flick, Rheinhessen**

Grape variety: Silvaner (dry)

Silvaner is the classic Rhine-Hessian grape variety. New methods in the vineyard and cellar, coupled with traditional techniques, give the Silvaner a fine spectrum of aromas of apples, pears, but also hay and herbs.

**26**

## ROSÉ

### **„CHRISTINA“ ROSÉ FEINHERB** **Weingut Flick, Rheinhessen**

Grape varieties: 60% St. Laurent, 40% Pinot Noir

The fine aroma of red berries, especially strawberry, comes from St. Laurent. The freshness that is essential for a summer wine is necessary, arises from the rapid pressing and the white wine-like expansion.

**23**

## RED WINE

**30**

## SPARKLING WINE

### **RIESLING SEKT BRUT** **Weingut Thul, Mosel**

Grape variety: Riesling

This sparkling wine from the Riesling grape was produced using classic bottle fermentation.

Selected wines were combined into a harmonious cuvée to begin the second fermentation in the bottle.

The bottles are shaken by hand and only disgorged after 24 months of yeast storage. This creates a very fine, elegant sparkling wine with classic Riesling fruit, lots of melt and mineral elegance.

This sparkling wine is not only suitable as a classic aperitif, but also as a menu accompaniment.
